DO NOT BUY LIST: WHY?

- Markers They bleed through writing assignments, hard to read when markers bleed through.
- Personal Pencil Sharpeners Students tend to play with these and sharpen their own pencils during instruction. I will have a classroom sharpener in the room.
- Pens Students will not be needing pens due to always needing to use pencils. Students cannot erase pen.
- Personal Hand Sanitizer- Students will have sanitizer in the classroom and I will let them use it when it is needed.
